Presenting author biography and affiliation (maximum 50 words)

Abstract title (maximum 15 words)

Abstract text (maximum 200 words)

Handbook entry (maximum 50 words)

What information would you like to be included in the conference handbook to assist delegates with choosing sessions?

Link to theme “At The Centre: Our People, Our Places, Our Practices” (maximum 50 words)

What aspect of the conference theme “At the Centre: our people, our places, our practices” will your proposal explore? Topics such as national conversations about identity, communities and relevance, Indigenous agency, leadership, environments, methodologies, arts practice and outreach are all welcome as well as other perspectives of what it means for museums and galleries to be at the Centre.

Presentation takeaway (maximum 50 words)

What do you expect delegates to learn or experience from your presentation?

Presentation requirements

Do you have any specific presentation requirements? e.g. technology, internet access, closed/no social media session

To submit your abstract visit mga2019.org.au/call-for-abstracts. Once you have made an account and created an abstract submission, you may save and return to it at a later time. Please ensure that you remember to submit your abstract before the deadline, as any abstracts still in 'draft' mode will not be considered for the program.

The call for abstracts will close on Monday 15 October 2018

For more information please see the conference website www.mga2019.org.au or contact Conference Logistics on 02 6281 6624.
